Sponsoring-Folder | 1st Vienna Window Convention 2019

With the **1st Vienna Window Convention** on June, 27 + June 28, 2019 we want to establish Vienna as the most important meeting place of the European window industry. Under the motto **Window Visions | Window Visionaries** entrepreneurs and innovators of the industry who have significantly shaped and advanced the market with their ideas will be sharing their perspectives of the future of windows.

At the same time, the topics of strategy + innovation will form the basis of numerous lectures from diverse fields of the industry: Likewise represented will be manufacturers (hilzinger, AFG Arbonia), system providers (profine Group, AluKönigStahl) and suppliers (Roto Frank, Saint Gobain). Finally, alongside the ever-relevant topics of expansion and distribution (Western + Eastern Europe), we will also be examining the great issue of our times: digitalization (in both sales and production).

With the following Sponsoring-Packages you have the opportunity to become part of the 1st Vienna Door + Gate Convention and to actively showcase your company at the event.

We look forward to welcoming you as part of the 1st Vienna Door + Gate Convention and hope you will join us in inaugurating this exciting new venture.
